

Type

Both handle and shockless stand types are available

BLG-7000BC2-GT-S

(Order Code ▶▶▶ BLG-7000XBC2-GT-S)

BLG-7000BC2-GT-HANDLE

(Order Code ▶▶▶ BLG-7000XBC2-GT-HANDLE)

Maximum **5 N · m**. Attain safe and accurate torque control by absorbing the impact of screwdriving.

It has the greatest torque among BLG-BC2 series, and its stand and handle are standardly equipped for reduction of the impact. It achieves screwdriving that eliminates instability from fatigue and inherits various BC2 functions for high accuracy.
